Mentor-Mentee System Policy Document Academic Year 2022-23

Introduction: The Mentor-Mentee System at Oriental College of Law is a structured program designed to foster academic excellence, personal growth, and holistic development among our students. This policy document outlines the principles, roles, responsibilities, and procedures governing the Mentor-Mentee System at our institution.

Purpose: The primary purpose of the Mentor-Mentee System is to provide personalized guidance and support to students throughout their academic journey. This system aims to enhance student engagement, promote academic success, and address both academic and personal challenges effectively.

Principles:

1. **Personalized Guidance:** Each mentee will be assigned a mentor who will provide personalized guidance tailored to the mentee's academic needs and personal development goals.
2. **Holistic Support:** Mentors will address not only academic concerns but also provide support for mentees' psychological well-being and overall adjustment to college life.
3. **Respect and Confidentiality:** Mentors and mentees will uphold principles of respect, trust, and confidentiality in their interactions, ensuring a safe and supportive environment.
4. **Professionalism:** Mentors will maintain professionalism in their roles, serving as positive role models and advocates for their mentees' success.

Roles and Responsibilities:

Mentors:

1. **Selection and Training:** Mentors will be selected based on their expertise, experience, and commitment to student development. They will undergo training to equip them with the necessary skills for effective mentoring.
2. **Personalized Guidance:** Mentors will meet regularly with their mentees to discuss academic progress, set goals, and provide guidance on coursework and career aspirations.
3. **Support and Advocacy:** Mentors will advocate for their mentees' academic interests and support them in navigating academic challenges. They will refer mentees to appropriate resources and services as needed.
4. **Monitoring and Feedback:** Mentors will monitor mentees' progress and provide constructive feedback to facilitate continuous improvement.

1. **Active Participation:** Mentees are expected to actively engage in the mentoring relationship, communicate openly with their mentors, and seek guidance proactively.
2. **Goal Setting:** Mentees will collaborate with their mentors to set academic and personal development goals and work towards achieving them.
3. **Responsibility:** Mentees are responsible for adhering to college policies, completing assignments on time, and seeking assistance when needed.

Procedures:

1. **Assignment of Mentors:** Mentors will be assigned to mentees at the beginning of each academic year based on mutual interests, academic disciplines, and compatibility.
2. **Regular Meetings:** Mentors and mentees will schedule regular meetings (at least once a month) to discuss academic progress, goals, challenges, and strategies for improvement.
3. **Documentation:** Mentors and mentees will maintain documentation of their meetings, including goals set, progress made, and action plans.
4. **Feedback Mechanism:** Mentors and mentees will provide feedback on the effectiveness of the mentoring relationship and suggest improvements for the Mentor-Mentee System.

Evaluation and Review:

1. **Continuous Improvement:** The Mentor-Mentee System will undergo periodic evaluation to assess its effectiveness in achieving its goals and meeting the needs of students.
2. **Feedback Integration:** Feedback from mentors, mentees, and stakeholders will be integrated into the system to enhance its impact and relevance.
3. **Policy Updates:** This policy document will be reviewed annually and updated as necessary to reflect changes in institutional practices, student needs, and best practices in mentoring.

Conclusion: The Mentor-Mentee System at Oriental College of Law is integral to our commitment to student success and holistic development. By providing structured support, personalized guidance, and fostering meaningful relationships, we aim to empower our students to achieve their academic and personal aspirations. This policy document serves as a guiding framework for implementing and sustaining the Mentor-Mentee System, ensuring consistency, accountability, and effectiveness in mentoring practices at our institution.
