### NOTICE

(Oriental College of Law)

It is instructed to all the faculty members and students not to use plastics in the class rooms, moot court room, the library, canteens and hostels premises of the institution. Students are asked to drop the waste materials in the assigned dustbins only and also not to litter in the college premises.

## Liquid Waste Management

Oriental College of Law has implemented a comprehensive liquid waste management system to ensure the safe and responsible disposal of wastewater. The college collects all liquid waste generated across its premises, including from laboratories, restrooms, and kitchens, and channels it through a network of underground pipelines. These pipelines are designed to transport the liquid waste directly to the Municipal government sewage system. By utilizing this underground infrastructure, the college ensures that its liquid waste is efficiently and safely directed to the municipal sewer, minimizing any risk of contamination and promoting a cleaner, more sustainable environment.
